- Ray May has worked very hard on a project to replace our current street signs. I'm happy to inform you that a vendor has been selected and within the next six weeks you will see new street signs in place. Again, a special thanks to Ray May for his efforts.
 - The new signs will be black with white reflective lettering
 - A signature "W" will be painted gold and used to support the street name.
- Beth Newell is the Chair for the Architectural Committee. This committee serves two purposes –
 - Review any changes to structures or landscapes for residential properties
 - Manage the flowers and decorations for our front entrance.
- Handouts were placed in mailboxes and residents were asked to approve putting their email addresses on a mailing list for emergencies. We only had a handful of respondents, so there will be no e-mail mailing list for emergencies.
- Proposed Mallory Park project – Pro and Con sides of the project were discussed. It is highly recommended that Willowick residents attend the October 29, 2009 meeting at the Brentwood Municipal Center – 5211 Maryland Way, beginning at 6:00 p.m.
- A motion was made and seconded that two plaques be placed in the front entrance recognizing Jim Lent and Jack Lameier. Both of these individuals have done so much for this subdivision. The Board will obtain the plaques place them in the front entrance honoring both Jim and Jack.
- Next year's Board meetings – 2nd Tuesday of the first month of a calendar quarter. January 12, April 13, July 13, and October 12. A special Board Meeting will be held at Ken Travis' house on November 5 to discuss the Mallory Park project.
